DESCRIPTION

These 420C chairs by Harry Bertoia are iconic pieces of modern design. Designed in the 1950s, these chairs perfectly illustrate the minimalist and functional aesthetic characteristic of Bertoia's style.

This suite of four chairs with slender structures in black lacquered chrome-plated steel, characteristic of his work, has an airy and elegant appearance allowing for seamless integration into a variety of interiors, whether contemporary or classic.

Published by Knoll, they also stand out for their remarkable comfort. The seating and backrests in metal wire are delicately curved to fit the contours of the body, and a leatherette seat cushion, here in orange and gray, add to it.

Manufacturer : Knoll International circa 1965.
