

"Female" Bench by Florian Artmann, Germany, 2022

600

REF: 8235

Height: 46 cm (18.1")

Width: 54 cm (21.3")

Depth: 31 cm (12.2")

DESCRIPTION

"Female" bench designed by Florian Artmann in Germany, 2022.

Crafted from solid beech, it is composed of a series of finely machined wooden slats forming both the legs and the seat. The resulting curves create a fluid, sculptural silhouette, while the alternating solid and open sections emphasize the precision of its construction. Balancing contemporary digital fabrication with traditional woodworking, the piece

stands somewhere between furniture and sculpture.

Manufacturer: Florian Artmann, Germany.
