DESCRIPTION

We are fond of the smooth and rounded shapes of this pair of decorative trays by Claude Morin, a key figure in the revival of Glass Art in France during the 1970s.

The craftsmanship shines through in these bowls, showcasing a delightful range of blue hues that will add a fresh and luminous touch to your decor.

The smaller tray measures 4.72 inches * 2.76 inches.

One signed "Dieulefit", French town where the artist had his atelier.
